FROM: [REDACTED]
Director, Intelligence Community Staff

SUBJECT: Letter of Appreciation

1. The Intelligence Community Staff was recently asked by the DCI to update a paper on national security concerns relative to supercomputers. Personnel from your organization participated extensively in the preparation of the original paper, and we requested their aid in preparation of the update. They responded in outstanding fashion and provided a substantive update on very short notice. Considering that they are very busy people with a heavy workload, their contributions to our efforts should be recognized. (U)
